**Advertisement for employment**

**JUNIOR CONSULTANT**

**Consultrain Management Services, Kolkata**, is a pioneer and leading company providing **industrial consultancy, training, third party inspection and testing services** to industries like Hospital & Healthcare, Information Technology, Food Processing, Transport, Power, Process, Steel, Oil & Gas, manufacturing, education etc. It has an established base of over 500 customers in the last 30 years. It has a pan India operation with offices in Kolkata, Delhi/NCR, Mumbai and Bangalore.

For our Kolkata office, we are looking for a **"Junior Consultant" to assist in the world of our "Sr. Consultants"**. The profile of the candidate will be as below;

- 1). Candidate should be preferably male with 25-35 years of age,
- 2). Should have B.Sc. or Diploma in Engineering,
- 3). Should have 3-10 years of hardcore industrial experience,
- 4). Should have good communication skills and good language skills, both verbal and writing,
- 5). Should be good in Computers – M.S. Word, Excel and Powerpoint
- 6). Preferably have his own laptop and mobile
- 7). Should be ready to travel out of Kolkata on short notice,
- 8). Should have good customer orientation
- 9). Should have the right attitude for his own learning and development.

The job provides the best in industry growth atmosphere and salary (negotiate) will not be a constraint for the right candidate.

**Interested candidates may apply in strict confidence with CV and passport size photograph to [udayan\\_chakravarty@yahoo.com](mailto:udayan_chakravarty@yahoo.com).**
