ABOUT US

Consultrain Management Services (CMS) is an ISO 9001:2015 certified company, registered under MSME, Government of India. Established in 1995 by a team of seasoned professionals, we specialize in three core verticals, supporting both manufacturing and service industries in India and beyond.

The company is being headed by Mrs. Sanchita Bhattacharya, MBA having extensive and varied experience for more than 30 years in training and consultancy services for different Management systems. She was awarded as Best Women Entrepreneur on 2010 by IIF.

Our integrated services empower clients to navigate today's challenges while enhancing operational efficiency and driving continuous improvement. Reinventing tomorrow is not just our vision—it's our commitment to delivering value-driven solutions.

At CMS, we adopt a structured yet agile approach, assisting clients at every stage of their business journey. Our proven track record across diverse industries reflects our deep understanding of business dynamics. As an independent advisory team with extensive expertise, we help organizations tackle present challenges and achieve future goals with confidence.

Let's work together to build a smarter, more resilient future.
